Proudly Servicing Alpharetta, Atlanta, Roswell, Cumming and surrounding areas!

Bounce House Atlanta was created out of a need for more fun and exciting bounce houses, obstacle courses and water slides.

We were tired of seeing the same old red, yellow and blue bounce houses. They just didn't produce the wow factor that our kids wanted. So we decided to partner with some of the coolest and most creative bounce house designers in the country and create some custom obstacle courses, water slides and bounce houses.

The results speak for themselves and we hope you give Bounce House Atlanta a call for your next party in Atlanta, Alpharetta, Cumming, Roswell and surrounding areas

Safe: Our inflatable units are insured and inspected by the state of Georgia. All units have anti-microbial coatings and are cleaned daily.

Reliable: A good percent of our business over the years comes from referrals, accuracy, dependability and safety are a top priority.
